Leadership that “Gets It”!

Company _____

BWC Policy Number: _____

Local Senior Leadership Contact/Title

Submitted By: _____

Please define “Examples of the Leadership Influence on Safety” within your organization (include any, or all, of the following topics in an essay:

- Description of the “safety culture” in your organization
- Safety Evaluation Metrics (measurable safety results)
- Regularly scheduled safety discussion groups
- Incident investigation procedures
- Safety Indicators on Management Performance Appraisals
- If applicable, is safety a highlight in your annual report...core values...mission statement...business plan...strategic vision....etc.?
- Is safety communicated beyond the workplace in your everyday life?
- Give a prime example of all levels of management “embracing safety”
