

# Black Swamp Safety Council

## Scholarship Winners

*Black Swamp Safety Council scholarships are open to individuals, and/or their children (including step-, adopted, or foster children), who work in Defiance, Fulton, Henry, Paulding or Williams County, and whose employer is a member of the Black Swamp Safety Council. This year, we are pleased to award (2) \$750 scholarships. The 2010 recipients are:*

### *Lena Herrett*

Lena is a 2010 graduate of Defiance High School. An active student, Lena participates in soccer, cross country, basketball, track, band and the marketing organization DECA.

Lena's personal experience with multiple injuries, surgeries and illnesses, triggered a desire to enter the medical field. Her interest in medical systems, artificial limbs and organs, along with her desire to advance the quality of the health and medical field have led her to declare a major in bioengineering. Lena has been accepted into the bioengineering program at the University of Toledo where she will begin this fall.

### *Alisun Smith*

Alisun has recently completed her sophomore year at the University of Findlay. Her passion for the environment, industrial safety and organizational management is reflected in a number of activities and memberships she is currently involved with, including river and park clean-ups, serving as a public representative for Oiler Environmental and completing an internship with the General Electric Lighting Plant in Circleville, Ohio under the Environmental Health and Safety Manager. A short list of safety areas in which she has already become familiar includes; industrial environments, ergonomics, inspections, the importance of material safety data sheets and Job Safety Analysis.

Alisun's plans are to complete her bachelor's degree in two years and to continue her education with a master's degree in occupational safety management and/or industrial hygiene.
